Parents: We are trying to instill in the students that they only sign up for events that they know they can attend, and that they attend events they have signed up for. We say it this way, "**Don't show up without signing up and don't sign up if you're not going to show up!**" This helps us to ensure the proper number of chaperons are on hand to ensure the safety of your students. Thanks for your help.

Also, please join our parents group at www.yahoo.com. Select "groups" and look for "rocksolid_parents". I will send reminder notices of upcoming events and deadlines along with general news about student ministry..

Finally, if you need financial assistance for events, please contact me before the deadline for the event, and I will be able to help you...remember we're a family and we're here for each other.
